A WARM WELCOME

Situated in a picturesque elevated setting with some of the finest views in Yorkshire, this wonderful country house has played host to traditional Christmas celebrations since 1750. Wood Hall radiates warmth and hospitality with its harmonious combination of period features and contemporary styles. At Wood Hall we believe Christmas time is one of family tradition, each as individual as the families themselves. For this reason we have not created a prescriptive package.

We invite you to select the events and activities you and your family wish to partake in. With such a wonderful estate there is always plenty to do, from a wide range of traditional board games available in the house, to walking paths around the grounds for the more energetic.

Why not take time to visit the cosmopolitan city centre of Leeds with its huge variety of shops and theatre houses with festive entertainment?
