ETTINGTON PARK HOTEL

WEDDINGS

## YOUR WEDDING AT ETTINGTON PARK...

Ettington Park Hotel is a magnificent Gothic mansion which has been the ancestral seat of the Shirley's, England's oldest family, since 1086. It is the most wonderfully romantic place you could choose to celebrate your wedding. Built from six different types of Cotswold stone, this unique country house is set in the heart of a 6,000 acre estate.

We realise that every wedding at Ettington is as unique as the setting itself. This portfolio aims to share with you a flavour of what we will provide on your very special day. Our experience, attention to detail and total professionalism, merged with our friendly, flexible and personal service will allow you to relax and enjoy every moment.

There is more to Ettington Park than elegant surroundings. Plan a wedding with us and you will enjoy the following:

- Use of our grounds and gardens for your photographs, and of course Champagne for the Bride and Groom
- A wedding menu prepared by our award-winning brigade of chefs
- A dedicated Wedding Co-ordinator to assist you with all hotel arrangements through to your wedding day
- Complimentary bedroom for the Bride and Groom on your wedding night and breakfast the following morning

## CHOOSE YOUR SETTING...

FOR YOUR WEDDING YOU HAVE A CHOICE OF FOUR SUPERB ROOMS, EACH OF WHICH WILL LEND ITS OWN SPECIAL CHARACTER TO YOUR DAY.

**The Long Gallery** - Originally the family museum, the Long Gallery is a spectacular room that runs the full length of the building, lined both sides by beautiful wood panelling and bookcase. The Long Gallery is ideal for numbers of up to 96 people for the wedding breakfast. Due to its location on the second floor, some items from the menu may not be available in this room, however your personal co-ordinator will be delighted to discuss these with you and suggest alternatives if necessary.

**The South Room** - Originally the smoking room where gentlemen would retire after dinner, the South Room is decorated with a beautiful wood panelled ceiling and a Duke of Essex fireplace. It is a spacious room, brightly illuminated by sash windows. Ideal for numbers up to 60 people for the wedding breakfast and 96 for a ceremony, the South Room is located on the ground floor.

**The Library** - Added in the early part of the eighteenth century and updated in the renovations of 1865, the Library is without doubt one of the most beautiful rooms at Ettington. Full of deep rich colours and lined from wall to wall with many historic volumes, it has a wonderful aspect across the lawns to the Norman church and the 300 year old cedar trees. Located on the ground floor, with access from both the Main Hall and through a secret doorway into the Great Drawing Room, the Library is ideal for numbers of up to 36 people for the wedding breakfast and 96 for a ceremony.

**The Norman Chapel** - Once you have made your vows in one of our exquisite rooms you can have your marriage blessed in the Shirley family's private church within the grounds of the hotel. We can arrange for our local vicar to carry out the blessing or for something very special why not ask a close family member or friend to perform your unique and personal service.
