When you have confirmed the date, your wedding co-ordinator will send you two contracts, please bear in mind this will only have the basic details on it as it is work in progress, but the contract will give you an idea of timings and information the hotel requires. As we have a policy to take only one wedding per day we have decided that rather than impose on you a minimum number of guests that must attend the wedding, thereby limiting your choices, we instead have set a minimum spend for the day.

These minimum spends vary depending on the day of the week and time of year but mean that you can have the use of our Crystal Room with a smaller number of guests. Please note the minimum spend excludes accommodation and bar expenditure.
