WHAT HAPPENS NEXT?

One of our experienced wedding co-ordinators will help you to plan your day from beginning to end. Once you have viewed the property we will work with you to allow both you and your partner some time to discuss with your family.

When you have confirmed the date, which we are able to reserve for a maximum of 14 days, your wedding co-ordinator will send you a contract; please bear in mind this will only have the basic details on it as it is work in progress, but the contract will give you an idea of timings and information the hotel requires. Once you have signed and returned the contract with the deposit requested, your wedding has started.

As your day approaches we will assist with the selection of menus, drinks and those all important touches to make the day run smoothly. Each time you have a conversation or a meeting with us, your details will be updated until it fulfils every wish for your perfect wedding day.

All prices include VAT at 20% and may be subject to change.
