

## *Paws through the doors*

We are delighted to welcome dogs to Hand Picked Hotels. From the moment you and your four-legged friend arrive, we will make sure you all enjoy a memorable experience.

Your canine companion is welcome to stay in one of our designated dog-friendly bedrooms where they can wag their tail to their heart's content. These special rooms offer direct access outside to expansive lawns or courtyards so you can head straight out for a walk at a moment's notice. What's more, our grand estates offer an abundance of grounds and gardens to explore, with recommended walking routes available from our team.

You will find plenty of doggie treats in your room on arrival, including a comfy dog bed and cushion, a bowl, some snacks to keep them energised and even a personalised welcome letter from our General Manager. Why shouldn't they feel pampered too?

With luxurious naps to be enjoyed, sit back and relax with your pooch in our dog-friendly lounges, bars and terraces where you can enjoy a light lunch, dinner and drinks in comfort, knowing your dog is right there, under your feet, exactly like home.

Our Pet in Residence hanger can be placed on your door when you - or your pup - are resting so our team know not to disturb you. We will service your room when you are ready and when it is convenient for you all.
