Welcome to Hand Picked Hotels
Buxted Park Hotel

Wine has been a passion of mine for many years. I have been fortunate to travel to many wine producing areas around the world and meet some incredible wine producers. To understand their philosophies and hear first-hand the stories of their own personal journey, really brings the wine to life. Knowing the history and the love that has gone into every bottle is a privilege and a joy. We at Hand Picked are delighted to share that joy with our guests through this carefully curated wine list, hand picked for you.

Each wine has been selected to marry with our award-winning modern British food or to be blissfully enjoyed on its own. Our menu encompasses wines from estates around the world: wines that are interesting and innovative or classic and traditional.

Wine from Villa Saletta, our vineyard in the breathtaking Tuscan Hills, also features on this list. My family purchased the historic estate in 2000 and have spent time lovingly restoring it whilst keeping many of the age-old winemaking practices the same. We are proud of the wines produced at Villa Saletta which are delicious, have won many prestigious awards, and which reflect both the heritage of the estate and this fascinating wine region.

Completing this list is a selection of truly exceptional wines from our personal cellar collected over several decades. The provenance of these wines is exceptional. They have come direct from the estates to our bonded warehouse and kept in optimal condition for you to enjoy in the surroundings of our unique hotels.

We have derived great pleasure from the creation of this wine list and very much hope that you enjoy your wine experience at Hand Picked Hotels.

Wishing you a magical wine discovery,

Julia Hands

CHAMPAGNE
BOLLINGER

Bollinger was founded in 1829 and it is still family owned today, which not at all common in Champagne. The modern turning point of the house can be credited to Elisabeth (Lily) Bollinger who bought Bollinger to the world stage and was even nicknamed “the first lady of France” by Chicago’s American in 1961.

BOLLINGER, B16	2016	£155

A lean, refined extra-brut vintage Champagne from Bollinger that emphasizes purity and finesse over rich opulence, with floral elegance, citrus and stone fruit depth, and a poised mineral finish..

BOLLINGER, LA GRANDE ANNÉE	2015	£165

Meaning the ‘Great Year’, La Grande Annee is only produced in exceptional vintages. Each bottle is aged for ten years before release and all of the riddling and disgorging is done by hand, in the traditional manner.

BOLLINGER, RD08	2008	£395

R.D. stands for 'récemment dégorgé' or 'recently disgorged'. What this means is that it has been ageing on its lees in the bottle from the vintage until very recently - around 15 years in this case. This wine is predicted to being one of the finest Bollinger releases in recent years.

"I drink champagne when I'm happy and when I'm sad. Sometimes I drink it when I'm alone. When I have company I consider it obligatory. I trifle with it if I'm not hungry and drink it when I am. Otherwise, I never touch it -- unless I'm thirsty.“

Élisabeth (Lily) Bollinger

VILLA SALETTA

A story spanning centuries

The estate has been owned by just four families throughout its history with documented winemaking traditions going back to 980AD. Beginning with the Gambacorta family in the 14th century, then notably the Riccardi family, bankers to the powerful house of Medici, then the Castelli Family, and lastly in 2000 to the Hands family. By then the estate had almost entirely fallen to ruin, however we saw the potential to combine traditional Tuscan techniques and modern technology, but always grounded in the heritage of the estate.
