CHEESE SELECTION

Choose from our selection of British cheeses. All served with artisan biscuits, grapes, celery, quince and chutney

Cotswold Blue Brie

Blue Brie is a soft white moulded cheese with a Roquefort blue mould running through the centre. It has a delicious creamy texture, with a fresh clean taste that develops as the cheese ages.

Harrogate Blue

Golden and blue veined appearance and creamy and mellow in texture and flavour. This cheese is matured for 10 weeks to develop the right depth of flavour and creamy texture.

Snowdonia Black Bomber

Multi award winning Black Bomber Cheddar is a modern classic. The Snowdonia cheese company's flagship cheese, it marries a rich and tangy cheddar flavour with a smooth creaminess that lingers on the palate.

Truffled Baron Bigod

Jonny Crickmore has taken his stunning brie-style cheese, Baron Bigod, to the next level. He combines his own mascarpone with Tartuflanghe summer truffle cream, to create a gorgeous truffle cream centre. A world of complex, heady barley flavours contained within a tantalisingly thin rind.

Rosary Goats Cheese

Rosary Goats Cheese is fresh and creamy, with a mousse-like texture and a natural acidity. Hand-made at a Salisbury based dairy with pasteurised milk from local suppliers, it recently won the supreme champion award at the British cheese awards.
