— HOTEL & SPA —

A BRIEF HISTORY...

Tea consumption increased during the early 19th century (early 1840s) around the time that Anna, Duchess of Bedford is said to have complained of a “sinking” feeling during late afternoon.

At this time, it was usual to take only two meals a day: breakfast in the morning and dinner at around 8pm. The solution for the Duchess was to have a pot of tea and a light snack taken privately in her boudoir during the afternoon.

Later, she invited her friends and before long, this practice proved so popular that all of the fashionable society were sipping tea and nibbling sandwiches in the middle of the afternoon.

Our afternoon teas are freshly prepared and handmade daily by our professional pastry chefs. We hope you enjoy your experience with us.

ENGLISH BREAKFAST TEA

A robust and malty black tea, a delicious combination of Assam and Ceylon teas, which have been carefully blended to create a full-bodied, strong cup of breakfast tea. A dark copper cup, with a hearty flavour, ideally taken with milk.

EARL GREY

Earl Grey is one of the most widely drunk teas in the world and its distinct flavour is a result of combining high quality Chinese black tea and oil of bergamot. A beautifully scented tea with bold citrus flavours, embodying the finest English tea.

CEYLON DECAFFEINATED BLACK TEA

A full-bodied Ceylon black tea with spicy undertones, which has retained its character by a flavour protecting CO2 decaffeinating method. This tea is ideal for those who want to reduce caffeine in their diet.

LUNG CHING

Also known as 'Dragonwell', this is one of the most famous Chinese green teas worldwide, renowned for its quality and remarkable flavour. This medium bodied tea smoothly combines the classic green tea character, with a sweet and slightly toasty notes.

WHITE JASMINE & APRICOT

A delectable and refreshing combination of white and green tea with succulent apricots, reminiscent of summer orchards, bound with delicate jasmine undertones and warming ginger. A light golden infusion with soft texture that will refresh and soothe your senses.

ROOIBOS ORANGE & CACTUS FIG

A delicious rooibos blend, packed with fascinating ingredients such as papaya, liquorice and orange. The distinct creamy sweetness of rooibos is complemented by fragrant citrus notes and a fruity finish - an exciting, caffeine free alternative to tea and coffee.

WHOLE LEAF PEPPERMINT

This premium whole leaf peppermint has mildly sweet undertones and a crisp, menthol freshness that can be enjoyed all day long. Peppermint is well known for being a fantastic digestive tonic and a stimulant for the mind and body.

VERY BERRY
