

Hand PICKED HOTELS

*Welcome to Hand Picked Hotels
St Pierre Park Hotel & Spa*

Wine has been a passion of mine for many years. I have been fortunate to travel to many wine producing areas around the world and meet some incredible wine producers. To understand their philosophies and hear first-hand the stories of their own personal journey, really brings the wine to life. Knowing the history and the love that has gone into every bottle is a privilege and a joy. We at Hand Picked are delighted to share that joy with our guests through this carefully curated wine list, hand picked for you.

Each wine has been selected to marry with our award-winning modern British food or to be blissfully enjoyed on its own. Our menu encompasses wines from estates around the world: wines that are interesting and innovative or classic and traditional.

Wine from Villa Saletta, our vineyard in the breathtaking Tuscan Hills, also features on this list. My family purchased the historic estate in 2000 and have spent time lovingly restoring it whilst keeping many of the age-old winemaking practices the same. We are proud of the wines produced at Villa Saletta which are delicious, have won many prestigious awards, and which reflect both the heritage of the estate and this fascinating wine region.

Completing this list is a selection of truly exceptional wines from our personal cellar collected over several decades. The provenance of these wines is exceptional. They have come direct from the estates to our bonded warehouse and kept in optimal condition for you to enjoy in the surroundings of our unique hotels.

We have derived great pleasure from the creation of this wine list and very much hope that you enjoy your wine experience at Hand Picked Hotels.

Wishing you a magical wine discovery,

*Julia Hands

BOLLINGER

La Grande Année 2015

An incredibly special wine from a historic family-owned producer.

Bollinger was founded in 1829 and it is still family owned today, which not at all common in Champagne. The modern turning point of the house can be credited to Elisabeth (Lily) Bollinger who bought Bollinger to the world stage and was even nicknamed “the first lady of France” by Chicago’s American in 1961.

Meaning the ‘Great Year’, La Grande Année is only produced in exceptional vintages. Each bottle is aged for ten years before release and all of the riddling and disgorging is done by hand, in the traditional manner. Bollinger are one of few producer to still vinify in oak, an ancient method that helps develop aromas of great finesse.

The vintage 2015 was the hottest on record, which means that there was very little or no reason to spray for fungus. Due to the semi-drought conditions the yield was about 20% lower than average but the grapes were of above average quality. All of this means that 2015 is being ‘hailed as one of the vintages of the century’ in terms of quality and potential.

On the nose you get hints of russet apples, Mirabelle plums with subtle notes of blackcurrant and vanilla. The rounded and generous palate shows Mirabelle plum jam with gorgeous notes of chocolate and citrus fruits, all supported by delicate bubbles.

“I drink champagne when I’m happy and when I’m sad. Sometimes I drink it when I’m alone. When I have company I consider it obligatory. I trifle with it if I’m not hungry and drink it when I am. Otherwise, I never touch it -- unless I’m thirsty.”

Élisabeth (Lily) Bollinger

VILLA SALETTA

A story spanning centuries

The estate has been owned by just four families throughout its history with documented winemaking traditions going back to 980AD. Beginning with the Gambacorta family in the 14th century, then notably the Riccardi family, bankers to the powerful house of Medici, then the Castelli Family, and lastly in 2000 to the Hands family. By then the estate had almost entirely fallen to ruin, however they saw the potential to combine traditional Tuscan techniques and modern technology, but always grounded in the heritage of the estate.

VILLA SALETTA

Il Viaggio di Lando

RED	Vintage		Bottle		175ml
<i>Il Viaggio Di Lando Prima Fermata Vino Rosso</i>	N/V		£22		£6

Juicy and playful, with plum, sour cherry, and wild berry notes. A single varietal of Canaiolo, which is Tuscany's best kept secret. Provides fresh and savoury notes with a touch of Mediterranean herbs. Pairs with pasta, chargrilled meats, or enjoyed on its own.

I think biodiversity is the most important factor to improve our environment and the quality of a vineyard, and then a wine. There is a series of activities that need to be managed like a musical orchestra: introducing antagonistic insects, planting meadows with reblooming varieties that increase soil fertility, special green manure mixtures, total reduction of chemicals, meticulous improvement of each step of the process, planting forests in the valley bottoms to thermoregulate the macro-environment, avoiding monocultures and being respectful in the winery, producing and using renewable energy. I am proud to combine all these and other activities.

- David Landini

BRUNO PAILLARD

A partnership and a friendship

Hand Picked Hotels and Bruno Paillard have been firm friends since 2001. The quality and elegance of the champagnes shows the passion and commitment of Bruno and Alice to bring us distinctive and refined cuvées.

Creating a new Champagne Maison in 1981 might have seemed like a moment of madness in a region that had not seen a new house in nearly a century, with a conservative attitude, however, was in a rented cellar and with grapes bought from carefully selected wine growers that Brunos first champagnes were born. Alice Paillard joined her father in 2007, then in 2018 she took over the management of the business.

Working organically with many sustainable practices in place, the Maison remains fully independent, and family owned and run today, just like Hand Picked Hotels.

PREMIÈRE CUVÉE, EXTRA-BRUT *Vintage| Bottle | Half*
NV | £72 | £38

The Première Cuvée Extra-Brut, signature of the Bruno Paillard House, is the fruit of more than 30 crus from the noblest terroirs of the Champagne region, whose composition is kept secret.

PREMIÈRE CUVÉE, EXTRA BRUT ROSÉ *NV | £90 | £53*

A hymn to the bright delicacy of Pinot Noir, the Première Cuvée Rosé is named on account of its composition of only the first pressing.

CUVÉE 72 *NV | £112*

The name Cuvée 72 derives from 72 months of maturation before release. 36 months on the lees and an additional 36 more in cellar. A wonderful variation on the complexity of time and development of the Première Cuvée.

BLANC DE NOIRS *NV | £130*

A Grand Cru Multi-Vintage born from the desire to show, through the blending of diverse vintages, a rich and precise expression of Pinot Noir from the northern crus of Champagne. With a minimum of 48 months age, this is biscuity and very smooth.

SILLON *2012 | £140*

The name Sillon translates as a Furrow, the narrow trench made by ploughing soil. With a label design by Claude Viallat, a founder member of the Supports/Surfaces art movement in the late 1960s and early 1970s he has significantly impacted contemporary art.

LIBERTÉ, BLANC DE NOIRS *2013 | £150*

Avid art lover Bruno commissioned Anne Commet to design the label. Her work relates to the experience of the landscape. Combining fragments of scenes and moments, she builds maps of intimate and ordinary places to explore the permanence and fragility of nature; the memory which we hold of a specific place or moment, our relationship to the world and to time.
